

## **Weekly Bulletin 28<sup>th</sup> January 2022**

### **Headteacher's Message**

This week we have started our Lunar New Year Activity Week. The children will be taking part in varied activities including Chinese crafts, costume and art. The week will give us the opportunity to celebrate difference and learn more about the rich traditions in different communities. We have been fortunate to be able to work with Chinese students from Durham University to enhance the children's learning. To conclude our activities our Year 6 pupils will be taking part in celebrations at Durham Town Hall on Saturday 5<sup>th</sup> February.

I again wish to thank parents for working with us in order to keep pupils, staff and the school community safe. Locally, cases are still high and this has been reflected in school as we have had to continue to implement a number of protective measures in certain classes. The measures we put in place do help to reduce transmission and your cooperation and understanding is greatly appreciated.

Each week I want to include a 'snapshot' of some of the things going on in school. For example, news from our ECO team, Worship group, V.I.P. (Very International People) and SNAG (School Nutrition Action Group). This week our focus is on the work of our School Council and they have shared details of an exciting initiative we are taking part in below.

Best wishes

Mr Rumbles

### **School Council - NSPCC Number Day**

On Friday 4<sup>th</sup> February, we will be taking part in a Number Day to raise money for the NSPCC. The theme is 'Dress up for Digits'. Pupils can wear one item of clothing with a number on it. For example, a birthday badge, t-shirt, sock or cap with a number on, or even an old t-shirt decorated with numbers, maths words or symbols. We are asking for a £1 donation for this great cause.

During the day, classes will do activities and challenges in their maths lessons based around problem solving. In KS2, there is also an opportunity to take part in a Times Tables Rockstars Number Day Tournament. Each pupil can play for up to 1 hour over the day and earn points for the school. The results will be put on a country-wide leaderboard. In school, children will have 30 minutes to play. They can then login at home to spend the remaining time earning more points for our school if they want to.

## PE Update

This week we have used some of our School Sports Partnership funding to invite an archery coach into school. Children from Y3 have shared their experience of the event.

### A WONDERFUL ARCHERY MORNING

\*By Eleanor and Jacob\*

\*a.k.a The Vicar and The Duke

The children in Year 3 and 4 had a wonderful morning of archery on Thursday with Darren from Durham and CLS SSP. We learned how to hold a bow safely and how to fire arrows at a target. We all had a few missed targets to start with but we quickly improved. It was great fun!!! We would love to do it again.

As it was inside thankfully no pigeons were hurt!

The children in Year 5 and 6 will be having their turn in May.

## Parents' Consultation Evenings

Due to the ongoing cases of Covid-19 we are experiencing in school we will be holding our Parents' Consultation evenings online again. This enables us to keep staff and the school community safe. After receiving mostly positive feedback from our last consultations in October we have made some changes. If the connection isn't working teachers will telephone and if you need to discuss things further the class teacher will contact you at a separate time. Details of how to book an appointment will be sent out soon.

## COVID-19 Guidance – *message from the DFE*

The Prime Minister announced on 19<sup>th</sup> January that the temporary introduction of Plan B is to end. As a result, the Plan B measures for schools are being removed. This advice remains subject to change as the situation develops. COVID-19 continues to be a virus that we learn to live with and the imperative to reduce the disruption to children and young people's education remains. Our priority is to deliver face-to-face, high-quality education to all pupils. The evidence is clear that being out of education causes significant harm to educational attainment, life chances, mental and physical health. We have worked closely with the Department of Health and Social Care (DHSC) and the United Kingdom Health Security Agency (UKHSA) to revise this guidance and this is updated below:

### Face coverings

From 20 January, face coverings are no longer advised for pupils, staff and visitors in classrooms. From 27 January, face coverings are no longer advised for pupils, staff and visitors in communal areas. From 27 January, staff and pupils should follow wider advice on face coverings outside of school, including on transport to and from school.

**Vaccination** We recommend all school staff and eligible pupils take up the offer of a vaccine. You can find out more about the in-school vaccination programme in COVID-19 vaccination programme for children and young people guidance for schools.

### Attendance

School attendance is mandatory for all pupils of compulsory school age and it is a priority to ensure that as many children as possible regularly attend school.

### Self-isolation period for those who test positive for COVID-19

People who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and

they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6. The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be [reported to NHS Test and Trace](#). If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest. Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation. Further [information on self-isolation for those with COVID-19](#) is available.

### Changes to testing

Confirmatory PCR tests following a positive lateral flow device (LFD) test result are temporarily suspended. This will mean that anyone who receives a positive LFD test result will be required to self-isolate immediately and will not be required to take a confirmatory PCR test.

### Daily testing for close contacts for COVID-19

The public health advice also states that those close contacts who are fully vaccinated, or children and young people aged between 5 and 18 years and 6 months *“should take an LFD test every day for seven days and continue to attend their setting as normal, unless they have a positive test result or develop symptoms at any time”*.

### Punctuality

We continue to monitor punctuality daily. We request that all parents ensure that their children arrive promptly for the beginning of the school day. This not only means that pupils are present and ready for teaching at the beginning of the morning session but also teaches pupils the importance of meeting deadlines and showing respect for others who may be impacted by poor time-keeping. In cases of persistent lateness, the services of the Education Welfare Officer will be enlisted to support families in meeting their obligation to ensure that their children attend school on time.

### Dates

For a full list of school holiday dates please see the school website.

Friday 4<sup>th</sup> February NSPCC Maths Number Day

Saturday 5<sup>th</sup> February 2.30pm – 2.45pm – Y6 Lunar New Year at Durham Town Hall

Tuesday 8<sup>th</sup> February - Safer Internet Day

Monday 7<sup>th</sup>- Friday - 11<sup>th</sup> February Children’s Mental Health Week

Monday 14<sup>th</sup> & Tuesday 15<sup>th</sup> February – Parents’ Consultation Evenings

Friday 18<sup>th</sup> February – Break up for February half term holiday

Monday 28<sup>th</sup> February – School re-opens for Spring Term 2

Thursday 7<sup>th</sup> April – Break up for the Easter holiday

Monday 25<sup>th</sup> April – School re-opens for Summer term 1

Monday 2<sup>nd</sup> May – Bank Holiday

Monday 9<sup>th</sup> – Thursday 12<sup>th</sup> - May Y6 SATS week

### Packed Lunches

In order to ensure that packed lunches are suitably healthy and meet the guidelines set by Durham County Council, parents are reminded that they **should not contain** any of the following:

- Fizzy / sugary drinks in cartons, bottles or cans
- Chocolate-coated products / sweets / confectionary
- Chocolate spread as a filling for sandwiches
- Chewing gum

- Sugared / toffee and salted popcorn

Please also remember that we are a nut-free school- your supporting in keeping all children safe is appreciated.

## St. Mary's Church Notice

### WILD CHURCH SPRING TERM DIARY

**Sat 17th Feb Wild Church World Social Justice Day: 4.00 p.m.** Meet outside St. Mary's - prayer station, bring a tin or pasta for an extra foodbank collection, making string telephones.

**TBC Sat March 19 or 26 Wild Church International Forest Day:** Refreshment, short service, paper trees, tree identification, plant-a- tree, March Marian Garden.

**SAT 16TH April** Looking to Easter: St. Patrick: Meet outside Church, its Easter Weekend. Refreshment, ceramic lights to paint, re-telling and building of St. Patrick's Easter fire, prayer station, Celtic (Northumbrian style) prayers and a short service.

### Christian Values

We are exploring the value of peace this half term. Worship will be led by Mr Rumbles, Mrs Matthews, Fr. Bill, Fr. Peter and the pupils.

*Some further information about this half term's value, Peace:*

The biblical concept of peace is not just the absence of war. It includes peace with God, positive harmony and healthy relationships between people. It involves spiritual as well as material security. Peace, in the sense of total well-being for the whole of creation, is the ultimate goal. Matthew 5:9 says **"Blessed are the peacemakers, for they shall be called children of God"**.

In the school context peace-making actions can include everything from conflict resolution to creating times and places for stillness and reflection.

We would like our children to continue their reflection and experience at home.

*Some things to think about:*

- How do you feel when you are peaceful?
- What sort of things make you feel peaceful?
- How important is peace in your life?
- Do you have a special place where you feel peaceful?

If you would like to receive a copy of the Weekly Bulletin by e-mail please e-mail the school. [Shincliffe@durhamlearning.net](mailto:Shincliffe@durhamlearning.net) The Weekly Bulletins from previous weeks can be found in the Parents' section of the website.
