

Reception News

Summer 1 Week 6 – 24th May 2024

What have we been learning?

- ◆ We have been learning some facts about real-life pirates from the past this week. We have learnt lots of interesting facts & we asked lots of good questions about the real pirates too.
- ◆ In our Phonics sessions this week we have been recapping all of our work from the last half-term. We are becoming such fantastic phonetic spellers when we are writing independently now.
- ◆ In Maths this week we have been learning about how using **positional language** helps us to accurately describe where something is. We showed our understanding of these words (on, under, behind, in front, above & beside) by putting a pirate toy in each position near our toy pirate ship. It was great fun!

We had a fantastic time on our visit to Hardwick Park on Tuesday! (*Despite the rain!*)

Homework

Literacy

- With a grown-up, look on DB Primary at the task we have set for you about “**Real-life Pirates**”. Try to remember 3 pirate facts from what it tells you. You can either tell your facts to your grown-up for them to scribe them in your Yellow Book, or you can have a go at writing your facts yourself.

- Reading books - please write us a comment to let us know how your child managed with their books.

Maths

- Positional Language - have a look at the “Home learning challenges” to let you practise using the **positional language** words that we have been thinking about this week in school.

Happy holidays!

We hope that you have a lovely, relaxing half-term holiday. The children have been working so hard during this half term and they deserve a good rest! Thank you so much for your continued support with the homework and the “Between Us” books. Let’s hope the sun shines on us all during the holidays!

From,
Mrs Short and Mrs Silvester
