

Reception News

Autumn 1 Week 7 - 17th October 2025

What have we been learning?

- ◆ This week we have been learning the sounds **h**, **b**, **f** and **l**. We have had a lovely time looking at many things that have these sounds in, either at the beginning, in the middle or at the end of the words. We tasted some lovely things too; **H**aribo sweets (vegetarian strawberry ones), **b**readsticks, **l**emonade and mini chocolate **F**ingers. We have been trying really hard with reading and writing words that contain these sounds too!
- ◆ We have been learning all about the 3ness of 3. We have looked at different groups of 3 objects & the different ways that 3 can be represented. We have also been using the words **large** and **small** (& also **larger/largest** & **smaller/smallest**) as we have been ordering Autumn objects practically from the smallest to the largest - we have been busy!
- ◆ In our Understanding the World sessions we have been learning all about our **teeth** - talking about how to look after our teeth to keep them healthy, sequencing pictures together to show how we brush our teeth & learning about why some of us might be starting to get wobbly teeth at the moment.

Ordering pictures to help us to explain to an adult how we brush our teeth.

Segmenting & blending to read simple cvc words independently.

Homework

Maths

- I Spy number 3 - can your child find & draw a circle around all the different ways of representing number 3?
- Order some objects from the smallest to the largest (e.g. Lego bricks, crayons, toys etc) .You could stick a photograph into your child's yellow book - we'd love to see how they ordered them!

Literacy

- Continue to practise recognising the character names in the packets as sight words - a new set of tricky words will be sent home next week.
- Recap on all of our taught sounds. *Can your child identify them in their small purple book?* Practise forming **h**, **b**, **f** & **l** in their yellow books.
- Please continue to make a comment about your child's reading every week.
