

Weekly Bulletin 28th November 2025

Headteacher's Message

Christmas preparations are well and truly under way, beginning with our Advent Eucharist today, which was well attended and we thank parents and parishioners for their support and for the contributions of Fr Peter and the Worship group. Occasions such as this are great opportunities to bring our school community together. We will be hosting our annual Christmas Fair which is taking place on Monday 8th December at school (**3:30pm-4.30pm**). All money raised will be used to benefit the education of our children in school.

Next week is the first of our nativities and it is the turn of our Reception class to perform their nativity 'Wriggly Nativity'. All parents/carers are welcome to attend, this will not be a ticketed performance although numbers are restricted to two adults per family. We look forward to the children's presentation of the Christmas story following the huge amount of hard work on the part of both children and staff in their preparations.

Each week I want to include a 'snapshot' of some of the things that the children are doing in school. For example, news from our ECO team, Worship group, Global Champions and SNAG (School Nutrition Action Group). This week our focus is on PE and some children from Y5 have shared an update below.

Best wishes

Mr Rumbles

PE

Last Friday afternoon we had the opportunity of hearing a presentation from the Olympian, Giselle Ansley. She explained that she played for GB Hockey Team at the Olympics. She showed a video of how women's hockey had progressed over the years and her Olympic Gold and Bronze Medals. She talked about how to be a good team player, her training regime, the importance of eating healthy and how to keep a positive attitude. It made us want to play Hockey and also helped us think what it would take to be an Olympian. She explained how to overcome setbacks when you lose and how it motivated her to keep trying her best. We found it very interesting and inspiring.

Parent Governor Vacancy

Ballot forms for the election of a new parent governor have been sent out earlier in the week. Please do remember to return them to school by Wednesday 3rd December. When the process has been finalised school will inform the parent body via our weekly bulletin and website. School and Governor Support Service will write formally to all nominees confirming the outcome of the ballot.

School Vision and Christian Values

Our school vision is rooted in Jesus' promise in John 10 v 10, that he has 'come that you may have life - life in all its fullness.' To help us understand and live out this vision we look at certain Christian values which, as a school community, we believe are important.

We are exploring the value of compassion this half term and worship will be led by Mr Rumbles, Fr. Peter, Mrs Matthews, Fr. Bill and our Key Stage Two pupils.

More information on this half term's value:

Compassion' and 'sympathy' have much in common and both are stronger in meaning than simply 'feeling sorry for' someone. The words have their roots in the idea of 'suffering with' someone, putting yourself in someone else's shoes and experiencing what they experience. This leads to a desire to act, to do something. It is not about 'doing good' from a position of strength or 'remembering those less fortunate than ourselves'. Compassion requires an act of imagination and humility to share in the lives of others.

In the Gospels we find many stories of Jesus showing compassion to the sick and the downtrodden of society. Christians believe that their attitudes and actions must reflect the kindness, mercy and compassion of Jesus and the love of God for everyone. In the school community this means showing kindness and respect to each other. It is related to the way in which new people are welcomed into the school family and nurtured and supported. It is reflected in the ways in which members of the community support each other through difficult times, such as bereavement. Christians would say that God Himself is the perfect example of community—the three persons of the Trinity are bound together in the ultimate closeness which makes them one. In a church school the idea of community will always be a strong one— schools share a common life and common goals—we aim to nurture and sustain all our members.

We would like our children to continue their reflection and experience at home.

Some things to think about:

- In what ways do we encourage members of the school community to show kindness and respect to one another?
- How do we foster links with charities for those in need?
- How are new members of the school community nurtured and supported?
- How does the school help, and encourage pupils to understand and empathise with members of their community who have suffered traumatic experiences, e.g. bereavement?
