Autumn 1 Week 3 - 18th September 2026

What have we been learning?

- ◆ This week we thinking carefully about using our '**froggy fingers**' whenever we are mark making - whether we have been using a pen, pencil, felt pen or a paintbrush.
- ◆ In our Phonics sessions, we have loved learning our first four letter sounds - **s, a, t** and **p** - along with learning the mnemonics to accompany each of them. We tried **strawberries** for **s** (vegetarian ones), **apples** for **a**, along with jelly teddies for **t** and **Percy Pigs** for **p**...mmm!
- ◆ We have also been learning about **King One** during our visit to "**Ten Town**". We have listened to his story and his song too. *Can your child tell you anything about him?* We have practised writing 1 in the air using large movements and written smaller 1's with a pencil., using the rhyme "From top to toe and there you go" to help us to remember to start at the top. We have also thought carefully about the concept of 1 thing.
- ◆ We have been learning about our sense of smell and how we use our noses to smell. We talked about our favourite smells too - Mrs Short's is pine trees because their smell reminds her of Christmas!

Painting self-portraits with our parent helper, Mrs Hodgson.

Homework

- ◆ Please can you use A4 character booklet (sent home this week) to reinforce what the characters from our reading scheme look like. This is for your child to keep at home.
- ◆ Keep looking carefully at the character names sent home this week in the clear folders, so your child can learn to read them as sight words. Feel free to cut them up to make flashcards.
- ◆ Recap on the sounds **s, a, t** and **p**. *Can your child identify them in their purple "Sound Book? Can they think of any words which start with those sounds?*
- ◆ Practise forming **s, a, t, p** and **King One** in the yellow "Between Us" book. You can also watch the video about **King One**, listen to the song and play some games about this number on the Ten Town website - logins for this were sent home this week.

Thank you for your support.

DB Primary

This is our school's Online Learning Platform. We sent home your child's login details at our "Teaching & Learning" meeting this week. Please help your child with logging on. We will add our weekly newsletters and any learning activities which relate to what we are doing in the classroom as appropriate. We also use the Reception 'Forum' to pass messages onto you. It would be very useful if you were able to log into DB Primary regularly, please.
