Shincliffe C of E Primary School
Accessibility Plan 2026-2027

At Shincliffe Primary School we want all children to enjoy school, to be challenged to achieve and to consider their time at the school as their own 'learning adventure'. We are committed to giving all of our children every opportunity to achieve the highest of standards. We do this by taking account of pupils' varied life experiences and needs. We offer a broad and balanced curriculum and have high expectations for all children. The achievements, attitudes and well-being of all our children matter.

Purpose of the Plan:
This plan shows how Shincliffe Primary School intends, over time, to increase the accessibility of our school for disabled pupils, staff, parents/carers and visitors.

Plans for accessibility improvement are developed through our school evaluation and developmental planning process. Our action planning for improvement addresses the following:

- Physical facilities
- The school curriculum
- Support services
- Awareness
- Communication of information

This Accessibility Policy and Plan are drawn up in compliance with current legislation and requirements as specified in Schedule 10, relating to Disability, of the Equality Act 2010. School Governors are accountable for ensuring the implementation, review and reporting on progress of the Accessibility Plan over a prescribed period.

Definition of disability under the Equality Act 2010:
You are disabled under the Equality Act 2010 if you have a physical or mental impairment that has a 'substantial' and 'long-term' negative effect on your ability to do normal activities.
What 'substantial' and 'long-term' mean:

- *'Substantial' is more than minor or trivial – eg: it takes much longer than it usually would to complete a daily task like getting dressed*

- *'Long-term' means 12 months or more – eg: a breathing condition that develops as a result of a lung infection*
